Identify your work location (school / center, etc.) Show details

314	65%

1. Do you believe there should be guns in schools? (Select one.)

23	5%	Yes
285	59%	No
166	34%	It depends on who has them and the circumstances surrounding that.
9	2%	I am unsure at this time.

2. If money were not an issue (ie: 'ideally'), which of the following would you support? (Choose all that apply.)

19	4%	Arming teachers or principals (with guns) in schools
74	15%	Having an armed guard in schools
312	65%	Having an armed police officer in schools (School Resource Officers -city, county, or state)
181	37%	Having more Safety and Security Assistants in schools (unarmed security)
34	7%	We do not need security personnel in schools.
35	7%	I am unsure at this time.

3. Which 'types' of schools require security personnel? (Choose all that apply.)

211	43%	Elementary schools
292	60%	Middle schools
317	66%	High schools
311	24%	All other FCPS schools
18	4%	None

4. Do you believe that security personnel can make our schools safe? (Choose all that apply.)

90	19%	Yes
29	6%	No
330	68%	They can help address a portion of the issue (of school security), but they cannot fix the entire problem.
34	7%	Adding security personnel may create other problems. (comment below)

Any additional comments concerning the the topic of security personnel and guns in schools? (Explanation or elaboration on responses from questions #1-4) Show details

97	20%

5. Are our school facilities safe and secure? (Select one.)

129	27%	Yes
77	16%	No
217	45%	Some are, but some are not.
60	12%	I am unsure at this time.

6. What areas should we 'reconsider' or assess more thoroughly in regard to making our school facilities more secure? (Choose all that apply.)

251	52%	External doors
144	30%	Windows leading outside
299	62%	External security devices (doors to the outside, alarms, 'buzzers', cameras, fencing, etc.)
227	47%	Internal security devices (doors on classrooms, cameras, school configurations - open classrooms, etc.)
284	59%	Security outside the main school building (trailors, 'additions' or modulars, playgrounds, etc.)
5	1%	Others (List below in essay area.)
10	2%	None

7. Which 'types' of schools require the greatest consideration in regards to assessing school facility security? (Choose all that apply.)

217	45%	Elementary schools
237	49%	Middle schools
304	63%	High schools
242	50%	All other FCPS schools
10	2%	None

8. Do you believe that secure facilities can make our schools safe? (Choose all that apply.)

101	21%	Yes
14	3%	No
382	79%	They can help address a portion of the issue (of school security), but they cannot fix the entire problem.
14	3%	Adding additional facility security may create other problems. (Comment below.)

Any additional comments concerning facilities and security in schools: (Explanation or elaboration of responses from questions #5-8) Show details

72	15%	

9. Do we have effective safety and security procedures in our schools? (Select one.)

130	27%	Yes
43	9%	No
291	60%	Some procedures are great, but we need to reassess others.
19	4%	I am unsure at this time.

10. What procedures need to be 'reconsidered' to make schools safer? (Choose all that apply.)

84	20%	FCPS Rules and Regulations
163	38%	Crisis / Security Plans
214	50%	Staff training
164	39%	Conducting 'drills'(practice for emergencies)
120	28%	Classroom guides for emergencies
114	27%	School crisis / management teams
109	26%	Lock or key repair / replacement
98	23%	Safety inspections
279	66%	Visitor control procedures
30	7%	None
30	7%	Others (Comment below.)

11. Do you believe that excellent safety and security procedures can make our schools safe? (Choose all that apply.)

111	23%	Yes
14	3%	No
348	72%	They can help address a portion of the issue (of school security), but cannot fix the entire problem.
10	2%	Adding additional (or changing current) security procedures may create other problems. (Comment below.)

Any additional comments concerning safety and security procedures in our schools? (Explanation or elaboration on responses from questions #9-11) Show details
