

FCFT GRANT /
SCHOLARSHIP
PROGRAM

The Fairfax County Federation of Teachers' Grant/Scholarship program is designed to provide financial support to our members.

Grant funds are awarded to support selected instructional programs which will benefit teachers and students. Our scholarships are rewarded to help our members further their education.

"Set amid the foothills of historic Bull Run Mountain in Haymarket, Va., Bull Run Golf Club is surpassed only by the beauty that surrounds the course." – Golfguideinc.com

The renowned architect Rick Jacobson designed this course with the player in mind. From the back tees, the course at Bull Run Golf Club is difficult enough to challenge the best hitters, especially if the greens are set with some tough pin locations. There are also wide fairways here with excellent views of where your next shot is supposed to land and there are often run-up options to the greens even where the hazards look tricky.

From the moment you drive up to the lodge-style clubhouse to the instant that your last ball rolls into the cup on the 18th green, you are going to enjoy spending your day with us. You will be ready to set up your next tee time before you slam the trunk door on your clubs.
