VOTE IN THE PRINCIPALS' SURVEY

You should have received the Principals' Survey form at your home address. Please respond honestly and write as many comments as you like.

FCFT wants to know who are the best principals in Fairfax County Public Schools. All of your comments are strictly confidential and will be seen by the FCFT staff only. Your comments are also anonymous.

If you don't respond, your principal may not be

recognized for outstanding work. When the votes are tallied, FCFT will reward the winners with certificates, notify the School System, and publish the winning names. FCFT is hoping for a positive response to the survey.

If you have any questions, please contact the FCFT office at 703-451-6840 for more information.

LEGAL ISSUES

If you are charged with a legal offense, whether a misdemeanor or felony, and the courts find you innocent, the School System may make a separate determination about your job. Therefore, if you have a legal complaint filed against you, even if it does not relate to your position as an employee of FCPS, you need to contact the FCFT office as soon as possible. We don't accept pre-existing conditions, so tell your friends to join FCFT before anything happens, and

you need assistance. FCFT will help members with the School System, before, during, and after any legal procedure. Contacting the office early will assist you greatly in resolving any employment issues which may result. In addition, you will receive confidential, legal counsel and advice.

SOCIAL SECURITY TO END SOME SERVICES

Beginning August 2014, Social Security field offices will no longer issue Social Security number printouts. Also, beginning in October 2014, field offices will stop providing benefit verification letters, except in emergency situations. The end of these services is the result of cuts to the Social Security Administration's operational budget.

The cuts have been protested by numerous organizations, including the Alliance for Retired Americans, because of the limited assistance now offered to seniors, the disabled and families.
